## **No injuries in Bldg. 4755 fire**

**N**o one was injured Thursday in a fire in a 225-square-foot storage area in Bldg. 4755. The fire was concentrated in a storage area for spare parts used in a Space Station Lab mock-up. The fire involved combustible packaging material, wood crates and pallets, and combustible insulation on the parts. Cost of damages is unknown at this time. An independent team is investigating the cause of the fire.
